Introduction

Welcome to the UnitedHealthcare StudentResources International Student Injury and Sickness Insurance Plan. This plan is underwritten by H&W Indemnity (SPC), Ltd. for and on behalf of Student Resources SP (“the Company”).

The Company will provide the benefits described in this Certificate to Insured Persons, as defined in the Definitions section of this Certificate. This Certificate is not a contract between the Insured Person and the Company. Keep this Certificate with other important papers so that it is available for future reference.

This plan is a preferred provider organization or “PPO” plan. It provides a higher level of coverage when Covered Medical Expenses are received from healthcare providers who are part of the plan’s network of “Preferred Providers.” The plan also provides coverage when Covered Medical Expenses are obtained from healthcare providers who are not Preferred Providers, known as “Out-of-Network Providers.” However, a lower level of coverage may be provided when care is received from Out-of-Network Providers and the Insured Person may be responsible for paying a greater portion of the cost.

To receive the highest level of benefits from the plan, the Insured Person should obtain covered services from Preferred Providers whenever possible. The easiest way to locate Preferred Providers is through the plan’s web site at www.smcovered.com. The web site will allow the Insured to easily search for providers by specialty and location.

The Insured may also call the Customer Service Department at 1-866-352-8632, toll free, for assistance in finding a Preferred Provider.

Please feel free to call the Customer Service Department with any questions about the plan. The telephone number is 1-866-352-8632. The Insured can also write to the Company administrator at:

Section 1: Who Is Covered

The Master Policy covers students and their eligible Dependents who have met the Policy’s eligibility requirements (as shown below) and who:

1. Are properly enrolled in the plan, and
2. Pay the required premium.

International students or other persons with a current passport who: 1) are engaged in educational activities; 2) are temporarily located outside his/her home country as a non-resident alien; 3) have not obtained permanent residency status in the U.S.; and 4) are enrolled in an associate, bachelor, master or Ph.D. degree program at a university or other educational institution, with no less than 6 credit hours (unless such school’s full-time status requires less credited hours or if the student is graduating at the end of the term for which coverage is purchased); Visiting Scholars, Optional Practical Training Students and formal English as a Second Language program students with an F-1 or J1 visa are eligible to enroll in this insurance Plan. The six credit hour requirement is waived for Summer if the applicant was enrolled in this plan as a full-time student in the immediately preceding Spring term.

Eligible students who do enroll may also insure their Dependents. Eligible Dependents are the student’s legal spouse and dependent children under 26 years of age

The student (Named Insured, as defined in this Certificate) must actively attend classes for at least the first 31 days after the date for which coverage is purchased with the exception of International Visiting Scholars or those engaged in an Optional Practical Training Program. Home study, correspondence and online courses do not fulfill the eligibility requirements that the student actively attend classes. The Company maintains its right to investigate eligibility or student status and attendance records to verify that the Policy eligibility requirements have been met. If and whenever the Company discovers that the Policy eligibility requirements have not been met, its only obligation is refund of premium.

The eligibility date for Dependents of the Named Insured shall be determined in accordance with the following:

1. If a Named Insured has Dependents on the date he or she is eligible for insurance.
2. If a Named Insured acquires a Dependent after the Effective Date, such Dependent becomes eligible:
 - a. On the date the Named Insured acquires a legal spouse.

- b. On the date the Named Insured acquires a dependent child who is within the limits of a dependent child set forth in the Definitions section of this Certificate.

Dependent eligibility expires concurrently with that of the Named Insured.

U.S. citizens are not eligible for coverage as a student or Dependent.

Section 2: Effective and Termination Dates

The Master Policy on file becomes effective at 12:01 a.m., July 1, 2021. The Insured Person's coverage becomes effective on the first day of the period for which premium is paid or the date the enrollment form and full premium are received by the Company (or its authorized representative), whichever is later.

The Master Policy terminates at 11:59 p.m., September 30, 2022. The Insured Person's coverage terminates on that date or at the end of the period through which premium is paid, whichever is earlier. Twelve (12) months is the maximum time coverage can be effective under any Policy Year for any Insured Person. Dependent coverage will not be effective prior to that of the Insured student or extend beyond that of the Insured student.

There is no pro-rata or reduced premium payment for late enrollees. Refunds of premiums are allowed only upon entry into the armed forces.

The Master Policy is a non-renewable one year term insurance Policy. The Master Policy will not be renewed.

Section 3: Extension of Benefits after Termination

The coverage provided under the Policy ceases on the Termination Date. However, if an Insured is Hospital Confined on the Termination Date from a covered Injury or Sickness for which benefits were paid before the Termination Date, Covered Medical Expenses for such Injury or Sickness will continue to be paid as long as the condition continues but not to exceed 90 days after the Termination Date.

The total payments made in respect of the Insured for such condition both before and after the Termination Date will never exceed the Maximum Benefit.

After this Extension of Benefits provision has been exhausted, all benefits cease to exist, and under no circumstances will further payments be made.

Section 4: Pre-Admission Notification

UnitedHealthcare should be notified of all Hospital Confinements prior to admission.

1. **PRE-NOTIFICATION OF MEDICAL NON-EMERGENCY HOSPITALIZATIONS:** The patient, Physician or Hospital should telephone 1-877-295-0720 at least five working days prior to the planned admission.
2. **NOTIFICATION OF MEDICAL EMERGENCY ADMISSIONS:** The patient, patient's representative, Physician or Hospital should telephone 1-877-295-0720 within two working days of the admission to provide notification of any admission due to Medical Emergency.

UnitedHealthcare is open for Pre-Admission Notification calls from 8:00 a.m. to 6:00 p.m. C.S.T., Monday through Friday. Calls may be left on the Customer Service Department's voice mail after hours by calling 1-877-295-0720.

IMPORTANT: Failure to follow the notification procedures will not affect benefits otherwise payable under the Policy; however, pre-notification is not a guarantee that benefits will be paid.

The Insured must notify the Company, in writing, of the adopted child not more than 30 days after placement or adoption.

In the case of a newborn adopted child, coverage begins at the moment of birth if a written agreement to adopt such child has been entered into by the Insured prior to the birth of the child, whether or not the agreement is enforceable. However, coverage will not continue to be provided for an adopted child who is not ultimately placed in the Insured's residence.

The Insured will have the right to continue such coverage for the child beyond the first 31 days. To continue the coverage the Insured must, within the 31 days after the child's date of placement: 1) apply to us; and 2) pay the required additional premium, if any, for the continued coverage. DEDUCTIBLE means if an amount is stated in the Schedule of Benefits or any endorsement to the Policy as a deductible, it shall mean an amount to be subtracted from the amount or amounts otherwise payable as Covered Medical Expenses before payment of any benefit is made. The deductible will apply as specified in the Schedule of Benefits.

2. Chiefly dependent upon the Insured Person for support and maintenance.

Proof of such incapacity and dependency shall be furnished to the Company: 1) by the Named Insured; and, 2) within 31 days of the child's attainment of the limiting age. Subsequently, such proof must be given to the Company annually following the child's attainment of the limiting age.

2. Unrelated to any pathological, functional, or structural disorder.
3. A source of loss.
4. Treated by a Physician within 30 days after the date of accident.
5. Sustained while the Insured Person is covered under the Policy.

All injuries sustained in one accident, including all related conditions and recurrent symptoms of these injuries will be considered one injury. Injury does not include loss which results wholly or in part, directly or indirectly, from disease or other bodily infirmity.

Covered Medical Expenses incurred as a result of an injury that occurred prior to the Policy's Effective Date will be considered a Sickness under the Policy.

INPATIENT means an uninterrupted confinement that follows formal admission to a Hospital, by reason of an Injury or Sickness for which benefits are payable under the Policy.

INSURED PERSON means: 1) the Named Insured; and, 2) Dependents of the Named Insured, if: 1) the Dependent is properly enrolled in the Policy, and 2) the appropriate Dependent premium has been paid. The term "Insured" also means Insured Person.

Such facility must be separate and apart from the surgical recovery room and from rooms, beds and wards customarily used for patient confinement. They must be: 1) permanently equipped with special life-saving equipment for the care of the critically ill or injured; and 2) under constant and continuous observation by nursing staff assigned on a full-time basis, exclusively to the intensive care unit. MENTAL ILLNESS means a Sickness that is a mental, emotional or behavioral disorder listed in the mental health or psychiatric diagnostic categories in the current *Diagnostic and Statistical Manual of the American Psychiatric Association*. If not excluded or defined elsewhere in the Policy, all mental health or psychiatric diagnoses are considered one Sickness.

The Insured will have the right to continue such coverage for the child beyond the first 31 days. To continue the coverage the Insured must, within the 31 days after the child's birth: 1) apply to the Company; and 2) pay the required additional premium, if any, for the continued coverage. If the Insured does not use this right as stated here, all coverage as to that child will terminate at the end of the first 31 days after the child's birth.

OUT-OF-POCKET MAXIMUM means the amount of Covered Medical Expenses that must be paid by the Insured Person before Covered Medical Expenses will be paid at 100% for the remainder of the Policy Year. SUBSTANCE USE DISORDER means a Sickness that is listed as an alcoholism and substance use disorder in the current *Diagnostic and Statistical Manual of the American Psychiatric Association*. The fact that a disorder is listed in the *Diagnostic and Statistical Manual of the American Psychiatric Association* does not mean that treatment of the disorder is a Covered Medical Expense. If not excluded or defined elsewhere in the Policy, all alcoholism and substance use disorders are considered one Sickness.

URGENT CARE CENTER means a facility that provides treatment required to prevent serious deterioration of the Insured Person's health as a result of an unforeseen Sickness, Injury, or the onset of acute or severe symptoms.

Section 13: General Provisions

GRACE PERIOD: A grace period of 14 days will be provided for the payment of each premium payment due after the first premium. The Insured Person's premium must be received during the grace period to avoid a lapse in coverage, and the Insured Person must meet the eligibility requirements each time a premium payment is made.

NOTICE OF CLAIM: Written notice of claim must be given to the Company within 90 days after the occurrence or commencement of any loss covered by the Policy, or as soon thereafter as is reasonably possible. Notice given by or on behalf of the Named Insured to the Company, P.O. Box 809025, Dallas, Texas 75380-9025 with information sufficient to identify the Named Insured shall be deemed notice to the Company.

CLAIM FORMS: Claim forms are not required.

PROOF OF LOSS: Written proof of loss must be furnished to the Company at its said office within 90 days after the date of such loss. Failure to furnish such proof within the time required will not invalidate nor reduce any claim if it was not reasonably possible to furnish proof. In no event except in the absence of legal capacity shall written proofs of loss be furnished later than one year from the time proof is otherwise required.

TIME OF PAYMENT OF CLAIM: Indemnities payable under the Policy for any loss will be paid upon receipt of due written proof of such loss.

PAYMENT OF CLAIMS: All or a portion of any indemnities provided by the Policy may, at the Company's option, and unless the Named Insured requests otherwise in writing not later than the time of filing proofs of such loss, be paid directly to the Hospital or person rendering such service. Otherwise, accrued indemnities will be paid to the Named Insured or the estate of the Named Insured. Any payment so made shall discharge the Company's obligation to the extent of the amount of benefits so paid.

PHYSICAL EXAMINATION: As a part of Proof of Loss, the Company at its own expense shall have the right and opportunity: 1) to examine the person of any Insured Person when and as often as it may reasonably require during the pendency of a claim; and, 2) to have an autopsy made in case of death where it is not forbidden by law. The Company has the right to secure a second opinion regarding treatment or hospitalization. Failure of an Insured to present himself or herself for examination by a Physician when requested shall authorize the Company to: (1) withhold any payment of Covered Medical Expenses until such examination is performed and Physician's report received; and (2) deduct from any amounts otherwise payable hereunder any amount for which the Company has become obligated to pay to a Physician retained by the Company to make an examination for which the Insured failed to appear. Said deduction shall be made with the same force and effect as a Deductible herein defined.

LEGAL ACTIONS: No action at law or in equity shall be brought to recover on the Policy prior to the expiration of 60 days after written proofs of loss have been furnished in accordance with the requirements of the Policy. No such action shall be brought after the expiration of 3 years after the time written proofs of loss are required to be furnished.

SUBROGATION: The Company shall be subrogated to all rights of recovery which any Insured Person has against any person, firm or corporation to the extent of payments for benefits made by the Company to or for benefit of an Insured Person. The Insured shall execute and deliver such instruments and papers as may be required and do whatever else is necessary to secure such rights to the Company.

RIGHT OF RECOVERY: Payments made by the Company which exceed the Covered Medical Expenses (after allowance for Deductible and Coinsurance clauses, if any) payable hereunder shall be recoverable by the Company from or among any persons, firms, or corporations to or for whom such payments were made or from any insurance organizations who are obligated in respect of any covered Injury or Sickness as their liability may appear.

MORE THAN ONE POLICY: Insurance effective at any one time on the Insured Person under a like policy, or policies in this Company is limited to the one such policy elected by the Insured Person, his beneficiary or his estate, as the case may be, and the Company will return all premiums paid for all other such policies.

H&W INDEMNITY (SPC), LTD. FOR AND ON BEHALF OF STUDENT RESOURCES SP

POLICY ENDORSEMENT

This endorsement takes effect and expires concurrently with the Policy to which it is attached and is subject to all of the terms and conditions of the Policy not inconsistent therewith.

It is hereby understood and agreed that the Policy to which this endorsement is attached is amended as follows:

Pediatric Dental Services Benefits

Benefits are provided under this endorsement for Covered Dental Services, as described below, for Insured Persons under the age of 19. Benefits under this endorsement terminate on the earlier of: 1) last day of the month the Insured Person reaches the age of 19; or 2) the date the Insured Person's coverage under the Policy terminates.

Section 1: Accessing Pediatric Dental Services

Network and Non-Network Benefits

Network Benefits - these benefits apply when the Insured Person chooses to obtain Covered Dental Services from a Network Dental Provider. Insured Persons generally are required to pay less to the Network Dental Provider than they would pay for services from a non-Network provider. Network Benefits are determined based on the contracted fee for each Covered Dental Service. In no event, will the Insured Person be required to pay a Network Dental Provider an amount for a Covered Dental Service that is greater than the contracted fee.

In order for Covered Dental Services to be paid as Network Benefits, the Insured Person must obtain all Covered Dental Services directly from or through a Network Dental Provider.

Insured Persons must always check the participation status of a provider prior to seeking services. From time to time, the participation status of a provider may change. The Insured Person can check the participation status by calling the Company and/or the provider. The Company can help in referring the Insured Person to Network Dental Provider.

The Company will make a Directory of Network Dental Providers available to the Insured Person. The Insured Person can also call Customer Service at 1-877-816-3596 to determine which providers participate in the Network. The telephone number for Customer Service is also on the Insured's ID card.

Non-Network Benefits - these benefits apply when the Insured Person decides to obtain Covered Dental Services from non-Network Dental Providers. Insured Persons generally are required to pay more to the provider than for Network Benefits. Non-Network Benefits are determined based on the Usual and Customary Fee for similarly situated Network Dental Providers for each Covered Dental Service. The actual charge made by a non-Network Dental Provider for a Covered Dental Service may exceed the Usual and Customary Fee. Insured Persons may be required to pay a non-Network Dental Provider an amount for a Covered Dental Service in excess of the Usual and Customary Fee. When the Insured Person obtains Covered Dental Services from non-Network Dental Providers, the Insured Person must file a claim with the Company to be reimbursed for Allowed Dental Amounts.

What Are Covered Dental Services?

The Insured Person is eligible for benefits for Covered Dental Services listed in this endorsement if such Dental Services are Necessary and are provided by or under the direction of a Network Dental Provider.

Benefits are available only for Necessary Dental Services. The fact that a Dental Provider has performed or prescribed a procedure or treatment, or the fact that it may be the only available treatment for a dental disease, does not mean that the procedure or treatment is a Covered Dental Service under this endorsement.

What Is a Pre-Treatment Estimate?

If the charge for a Dental Service is expected to exceed \$500 or if a dental exam reveals the need for fixed bridgework, the Insured Person may notify the Company of such treatment before treatment begins and receive a pre-treatment estimate. To receive a pre-treatment estimate, the Insured Person or Dental Provider should send a notice to the Company, via claim form, within 20 calendar days of the exam. If requested, the Dental Provider must provide the Company with dental x-rays, study models or other information necessary to evaluate the treatment plan for purposes of benefit determination.

The Company will determine if the proposed treatment is a Covered Dental Service and will estimate the amount of payment. The estimate of benefits payable will be sent to the Dental Provider and will be subject to all terms, conditions and provisions of the Policy. Clinical situations that can be effectively treated by a less costly, clinically acceptable alternative procedure will be assigned a benefit based on the less costly procedure.

A pre-treatment estimate of benefits is not an agreement to pay for expenses. This procedure lets the Insured Person know in advance approximately what portion of the expenses will be considered for payment.

Does Pre-Authorization Apply?

Pre-authorization is required for all orthodontic services. The Insured Person should speak to the Dental Provider about obtaining a pre-authorization before Dental Services are provided. If the Insured Person does not obtain a pre-authorization, the Company has a right to deny the claim for failure to comply with this requirement.

Section 2: Benefits for Pediatric Dental Services

Benefits are provided for the Dental Services stated in this Section when such services are:

- A. Necessary.
- B. Provided by or under the direction of a Dental Provider.
- C. Clinical situations that can be effectively treated by a less costly, dental appropriate alternative procedure will be assigned a benefit based on the least costly procedure.
- D. Not excluded as described in Section 3: Pediatric Dental Exclusions of this endorsement.

Benefits for Covered Dental Services are subject to satisfaction of the Dental Services Deductible.

Network Benefits:

Benefits for Allowed Dental Amounts are determined as a percentage of the negotiated contract fee between the Company and the provider rather than a percentage of the provider's billed charge. The Company's negotiated rate with the provider is ordinarily lower than the provider's billed charge.

A Network provider cannot charge the Insured Person or the Company for any service or supply that is not Necessary as determined by the Company. If the Insured Person agrees to receive a service or supply that is not Necessary the Network provider may charge the Insured Person. However, these charges will not be considered Covered Dental Services and benefits will not be payable.

Non-Network Benefits:

Benefits for Allowed Dental Amounts from non-Network providers are determined as a percentage of the Usual and Customary Fees. The Insured Person must pay the amount by which the non-Network provider's billed charge exceeds the Allowed Dental Amounts.

Dental Services Deductible

Benefits for pediatric Dental Services provided under this endorsement are not subject to the Policy Deductible stated in the Policy Schedule of Benefits. Instead, benefits for pediatric Dental Services are subject to a separate Dental Services Deductible.

For any combination of Network and Non-Network Benefits, the Dental Services Deductible per Policy Year is \$500 per Insured Person.

Out-of-Pocket Maximum - any amount the Insured Person pays in Coinsurance for pediatric Dental Services under this endorsement applies to the Out-of-Pocket Maximum stated in the Policy Schedule of Benefits.

Benefits

Dental Services Deductibles are calculated on a Policy Year basis.

When benefit limits apply, the limit stated refers to any combination of Network Benefits and Non-Network Benefits unless otherwise specifically stated.

Benefit limits are calculated on a Policy Year basis unless otherwise specifically stated.

Section 5: Defined Terms for Pediatric Dental Services

The following definitions are in addition to those listed in the Definitions section of the Certificate of Coverage:

Allowed Dental Amounts - Allowed Dental Amounts for Covered Dental Services, incurred while the Policy is in effect, are determined as stated below:

- For Network Benefits, when Covered Dental Services are received from Network Dental Providers, Allowed Dental Amounts are the Company's contracted fee(s) for Covered Dental Services with that provider.
- For Non-Network Benefits, when Covered Dental Services are received from Non-Network Dental Providers, Allowed Dental Amounts are the Usual and Customary Fees, as defined below.

Covered Dental Service – a Dental Service or Dental Procedure for which benefits are provided under this endorsement.

Dental Emergency - a dental condition or symptom resulting from dental disease which arises suddenly and, in the judgment of a reasonable person, requires immediate care and treatment, and such treatment is sought or received within 24 hours of onset.

Dental Provider - any dentist or dental practitioner who is duly licensed and qualified under the law of jurisdiction in which treatment is received to render Dental Services, perform dental surgery or administer anesthetics for dental surgery.

Dental Service or Dental Procedures - dental care or treatment provided by a Dental Provider to the Insured Person while the Policy is in effect, provided such care or treatment is recognized by the Company as a generally accepted form of care or treatment according to prevailing standards of dental practice.

Dental Services Deductible - the amount the Insured Person must pay for Covered Dental Services in a Policy Year before the Company will begin paying for Network or Non-Network Benefits in that Policy Year.

Experimental, Investigational, or Unproven Service - medical, dental, surgical, diagnostic, or other health care services, technologies, supplies, treatments, procedures, drug therapies or devices that, at the time the Company makes a determination regarding coverage in a particular case, is determined to be:

- Not approved by the U.S. Food and Drug Administration (FDA) to be lawfully marketed for the proposed use and not identified in the American Hospital Formulary Service or the United States Pharmacopoeia Dispensing Information as appropriate for the proposed use; or
- Subject to review and approval by any institutional review board for the proposed use; or
- The subject of an ongoing clinical trial that meets the definition of a Phase 1, 2, or 3 clinical trial set forth in the FDA regulations, regardless of whether the trial is actually subject to FDA oversight; or
- Not determined through prevailing peer-reviewed professional literature to be safe and effective for treating or diagnosing the condition or Sickness for which its use is proposed.

Foreign Services - services provided outside the U.S. and U.S. Territories.

 - For treating a life threatening dental disease or condition.

(For the purpose of this definition, the term life threatening is used to describe dental diseases or sicknesses or conditions, which are more likely than not to cause death within one year of the date of the request for treatment.)

The fact that a Dental Provider has performed or prescribed a procedure or treatment or the fact that it may be the only treatment for a particular dental disease does not mean that it is a Necessary Covered Dental Service as defined in this endorsement. The definition of Necessary used in this endorsement relates only to benefits under this endorsement and differs from the way in which a Dental Provider engaged in the practice of dentistry may define necessary.

Network - a group of Dental Providers who are subject to a participation agreement in effect with the Company, directly or through another entity, to provide Dental Services to Insured Persons. The participation status of providers will change from time to time.

Network Benefits - benefits available for Covered Dental Services when provided by a Dental Provider who is a Network Dentist.

Non-Network Benefits - benefits available for Covered Dental Services obtained from Non-Network Dentists.

Usual and Customary Fee - Usual and Customary Fees are calculated by the Company based on available data resources of competitive fees in that geographic area.

Usual and Customary Fees must not exceed the fees that the provider would charge any similarly situated payor for the same services.

Usual and Customary Fees are determined solely in accordance with the Company's reimbursement policy guidelines. The Company's reimbursement policy guidelines are developed by the Company, in its discretion, following evaluation and validation of all provider billings in accordance with one or more of the following methodologies:

- As indicated in the most recent edition of the Current Procedural Terminology (publication of the American Dental Association).

- As reported by generally recognized professionals or publications.
- As utilized for Medicare.
- As determined by medical or dental staff and outside medical or dental consultants.
- Pursuant to other appropriate source or determination that the Company accepts.

POLICY ENDORSEMENT

This endorsement takes effect and expires concurrently with the Policy to which it is attached and is subject to all of the terms and conditions of the Policy not inconsistent therewith.

It is hereby understood and agreed that the Policy to which this endorsement is attached is amended as follows:

UnitedHealthcare Pharmacy (UHCP) Prescription Drug Benefits

Benefits for Prescription Drug Products

Benefits are available for Prescription Drug Products when dispensed at a UHCP Network Pharmacy as specified in the Policy Schedule of Benefits subject to all terms of the Policy and the provisions, definitions and exclusions specified in this endorsement.

Benefits for Prescription Drug Products are subject to supply limits and Copayments and/or Coinsurance or other payments that vary depending on which of the tiers of the Prescription Drug List the Prescription Drug Product is placed. Refer to the Policy Schedule of Benefits for applicable supply limits and Copayments and/or Coinsurance requirements.

Benefit for Prescription Drug Products are available when the Prescription Drug Product meets the definition of a Covered Medical Expense.

Benefits are available for refills of Prescription Drug Products only when dispensed as ordered by a Physician and only after $\frac{3}{4}$ of the original Prescription Drug Product has been used. For select controlled medications filled at a retail Network Pharmacy, refills are available when 90% of the original Prescription Drug Product has been used. For select controlled medications filled at a mail order Network Pharmacy, refills are available when 80% of the original Prescription Drug Product has been used.

The Insured must present their ID card to the Network Pharmacy when the prescription is filled. If the Insured does not present their ID card to the Network Pharmacy, they will need to pay for the Prescription Drug and then submit a reimbursement form along with the paid receipts in order to be reimbursed. Insureds may obtain reimbursement forms by visiting www.smcovered.com and logging in to their online account or by calling *Customer Service* at 1-855-828-7716.

Information on Network Pharmacies is available at www.smcovered.com or by calling *Customer Service* at 1-855-828-7716.

If the Insured does not use a Network Pharmacy, no benefits are available and the Insured will be responsible for paying the full cost for the Prescription Drug.

Copayment and/or Coinsurance Amount

For Prescription Drug Products at a retail Network Pharmacy, Insured Persons are responsible for paying the lowest of:

- The applicable Copayment and/or Coinsurance.
- The Network Pharmacy's Usual and Customary Fee for the Prescription Drug Product.
- The Prescription Drug Charge for that Prescription Drug Product.

For Prescription Drug Products from a mail order Network Pharmacy, Insured Persons are responsible for paying the lower of:

- The applicable Copayment and/or Coinsurance; or
- The Prescription Drug Charge for that Prescription Drug Product.

The Insured Person is not responsible for paying a Copayment and/or Coinsurance for Preventive Care Medications.

Supply Limits

Benefits for Prescription Drug Products are subject to supply limits as written by the Physician and the supply limits that are stated in the Policy Schedule of Benefits, unless adjusted based on the drug manufacturer's packaging size. For a single Copayment and/or Coinsurance, the Insured may receive a Prescription Drug Product up to the stated supply limit.

When a Prescription Drug Product is packaged or designed to deliver in a manner that provides more than a consecutive 31-day supply, the Copayment and/or Coinsurance that applies will reflect the number of days dispensed.

When a Prescription Drug Product is dispensed from a mail order Network Pharmacy or a Preferred 90 Day Retail Network Pharmacy, the Prescription Drug Product is subject to the supply limit stated in the Policy Schedule of Benefits, unless adjusted based on the drug manufacturer's packaging size, or based on supply limits.

Note: Some products are subject to additional supply limits based on criteria that the Company has developed. Supply limits are subject, from time to time, to the Company's review and change. This may limit the amount dispensed per Prescription Order or Refill and/or the amount dispensed per month's supply or may require that a minimum amount be dispensed.

The Insured may find out whether a Prescription Drug Product has been assigned a maximum quantity level for dispensing at www.smcovered.com or by calling *Customer Service* at 1-855-828-7716.

If a Brand-name Drug Becomes Available as a Generic

If a Generic becomes available for a Brand-name Prescription Drug Product, the tier placement of the Brand-name Prescription Drug may change. Therefore the Copayment and/or Coinsurance may change or the Insured will no longer have benefits for that particular Brand-name Prescription Drug Product.

Designated Pharmacies

If the Insured requires certain Prescription Drug Products, including, but not limited to, Specialty Prescription Drug Products, the Company may direct the Insured to a Designated Pharmacy with whom the Company has an arrangement to provide those Prescription Drug Products.

If the Insured is directed to a Designated Pharmacy and chooses not to obtain their Prescription Drug Product from a Designated Pharmacy, no benefits will be paid for that Prescription Drug Product.

Specialty Prescription Drug Products

Benefits are provided for Specialty Prescription Drug Products.

If the Insured requires Specialty Prescription Drug Products, the Company may direct the Insured to a Designated Pharmacy with whom the Company has an arrangement to provide those Specialty Prescription Drug Products.

If the Insured is directed to a Designated Pharmacy and the Insured chooses not to obtain their Specialty Prescription Drug Product at a Designated Pharmacy, the Insured will be responsible for the entire cost of the Prescription Drug Product.

Please see the Definitions Section for a full description of Specialty Prescription Drug Product and Designated Pharmacy.

The following supply limits apply to Specialty Prescription Drug Products.

As written by the Physician, up to a consecutive 31-day supply of a Specialty Prescription Drug Product, unless adjusted based on the drug manufacturer's packaging size, or based on supply limits.

When a Specialty Prescription Drug Product is packaged or designed to deliver in a manner that provides more than a consecutive 31-day supply, the Copayment and/or Coinsurance that applies will reflect the number of days dispensed.

If a Specialty Prescription Drug Product is provided for less than or more than a 31-day supply, the Copayment and/or Coinsurance that applies will reflect the number of days dispensed.

Supply limits apply to Specialty Prescription Drug Products obtained at a Network Pharmacy, a mail order Network Pharmacy or a Designated Pharmacy.

Prior Authorization Requirements

Before certain Prescription Drug Products are dispensed at a Network Pharmacy, either the Insured's Physician, Insured's pharmacist or the Insured is required to obtain prior authorization from the Company or the Company's designee. The reason for obtaining prior authorization from the Company is to determine whether the Prescription Drug Product, in accordance with the Company's approved guidelines, is each of the following:

- It meets the definition of a Covered Medical Expense.
- It is not an Experimental or Investigational or Unproven Service.

If the Insured does not obtain prior authorization from the Company before the Prescription Drug Product is dispensed, the Insured may pay more for that Prescription Order or Refill. The Prescription Drugs requiring prior authorization are subject, from time to time, to the Company's review and change. There may be certain Prescription Drug Products that require the Insured to notify the Company directly rather than the Insured's Physician or pharmacist. The Insured may determine whether a particular Prescription Drug requires prior authorization at www.smcovered.com or by calling *Customer Service* at 1-855-828-7716.

If the Insured does not obtain prior authorization from the Company before the Prescription Drug Product is dispensed, the Insured can ask the Company to consider reimbursement after the Insured receives the Prescription Drug Product. The Insured will be required to pay for the Prescription Drug Product at the pharmacy.

When the Insured submits a claim on this basis, the Insured may pay more because they did not obtain prior authorization from the Company before the Prescription Drug Product was dispensed. The amount the Insured is reimbursed will be based on the Prescription Drug Charge, less the required Copayment and/or Coinsurance and any Deductible that applies.

Benefits may not be available for the Prescription Drug Product after the Company reviews the documentation provided and determines that the Prescription Drug Product is not a Covered Medical Expense or it is an Experimental or Investigational or Unproven Service.

Step Therapy

Certain Prescription Drug Products for which benefits are provided are subject to step therapy requirements. In order to receive benefits for such Prescription Drug Products an Insured must use a different Prescription Drug Product(s) first.

The Insured may find out whether a Prescription Drug Product is subject to step therapy requirements at www.smcovered.com or by calling *Customer Service* at 1-855-828-7716.

Limitation on Selection of Pharmacies

If the Company determines that an Insured Person may be using Prescription Drug Products in a harmful or abusive manner, or with harmful frequency, the Insured Person's choice of Network Pharmacies may be limited. If this happens, the Company may require the Insured to choose one Network Pharmacy that will provide and coordinate all future pharmacy services. Benefits will be paid only if the Insured uses the chosen Network Pharmacy. If the Insured does not make a selection within 31 days of the date the Company notifies the Insured, the Company will choose a Network Pharmacy for the Insured.

Coverage Policies and Guidelines

The Company's Prescription Drug List (PDL) Management Committee makes tier placement changes on the Company's behalf. The PDL Management Committee places FDA-approved Prescription Drug Products into tiers by considering a number of factors including clinical and economic factors. Clinical factors may include review of the place in therapy or use as compared to other similar product or services, site of care, relative safety or effectiveness of the Prescription Drug Product, as well as if certain supply limits or prior authorization requirements should apply. Economic factors may include, but are not limited to, the Prescription Drug Product's total cost including any rebates and evaluations on the cost effectiveness of the Prescription Drug Product.

Some Prescription Drug Products are more cost effective for treating specific conditions as compared to others, therefore; a Prescription Drug may be placed on multiple tiers according to the condition for which the Prescription Drug Product was prescribed to treat.

The Company may, from time to time, change the placement of a Prescription Drug Product among the tiers. These changes generally will occur quarterly, but no more than six times per calendar year. These changes may happen without prior notice to the Insured.

When considering a Prescription Drug Product for tier placement, the PDL Management Committee reviews clinical and economic factors regarding Insured Persons as a general population. Whether a particular Prescription Drug Product is appropriate for an individual Insured Person is a determination that is made by the Insured Person and the prescribing Physician.

NOTE: The tier placement of a Prescription Drug Product may change, from time to time, based on the process described above. As a result of such changes, the Insured may be required to pay more or less for that Prescription Drug Product. Please access www.smcovered.com or call *Customer Service* at 1-855-828-7716 for the most up-to-date tier placement.

Rebates and Other Payments

The Company may receive rebates for certain drugs included on the Prescription Drug List. The Company does not pass these rebates on to the Insured Person, nor are they applied to the Insured's Deductible or taken into account in determining the Insured's Copayments and/or Coinsurance.

The Company, and a number of its affiliated entities, conducts business with various pharmaceutical manufacturers separate and apart from this Prescription Drug Endorsement. Such business may include, but is not limited to, data collection, consulting, educational grants and research. Amounts received from pharmaceutical manufacturers pursuant to such arrangements are not related to this Prescription Drug Benefit. The Company is not required to pass on to the Insured, and does not pass on to the Insured, such amounts.

From time to time, the Company issues medical and drug policies that describe the clinical evidence available with respect to specific health care services. These medical and drug policies are subject to change without prior notice.

If the Insured has a life-threatening Injury or Sickness (one that is likely to cause death within one year of the request for treatment) the Company may, as it determines, consider an otherwise Unproven Service to be a Covered Medical Expense for that Injury or Sickness.
